RE: Notification of Grant Disbursement

(Grant Number/ Disbursement Number: **BTN-607-G03-H-DD09.0**)

In response to your recent request for disbursement of funds under the above referenced grant agreement, we are pleased to inform you that we have now requested the transfer of **USD 200,440.97** from The Global Fund trust account at the World Bank to the bank account specified in your request.

When the World Bank has completed its internal procedures, the payment will be sent through the international banking system to that account. The length of time this takes depends on the processes of the banks involved. Accordingly, you may expect the funds to arrive in that account within the next two weeks, though in some instances, this may take longer.

We will notify you of the disbursement equivalent in the grant currency, when we receive confirmation from the Trustee.

Within one week of the arrival of funds, please confirm receipt by completing the Receipt section below and send a scanned copy to notifications@theglobalfund.org, copying the Fund Portfolio Manager for this grant. Afterwards please send the original copy to the address below.

Thank you.

Receipt

To be completed by the Principal Recipient:	
On behalf of Ministry of health, Royal Government of Bhutan, I hereby confirm that the above grant disbursement was received on _____ (INSERT DATE).	
Signed: _____	Date: _____
Name: _____	
Title: _____
